Faculty of Arts & Science
TEACHING ASSISTANT – CUPE Unit 1
January 1, 2018 to April 30, 2018

STA130H1S L0201 – An Introduction to Statistical Reasoning and Data Science
This course, intended for students considering a program in Statistical Sciences, discusses the crucial role played by statistical reasoning in solving challenging problems from natural science, social science, technology, health care, and public policy, using a combination of logical thinking, mathematics, computer simulation, and oral and written discussion and analysis.

Qualifications: Graduate student with strong background in statistics, as well as excellent communication and writing skills, and the ability to interact well with undergraduate students.

Duties: Any or all of the following: grading term tests, invigilating term tests and final exams, grading homework and/or quizzes, setting tutorial quizzes.

Instructor: TBA
Estimated Course Enrolment: 250 students
Class Schedule: Monday 2:00-4:00pm
Tutorial: Friday 2:00pm to 4:00pm
Approximate Number of TA Hours: 50
Approximate Number of positions: 6
Rate of Pay: SGSI and SGSII rate $43.65 per hour, Undergraduate rate $43.65 per hour in accordance with the CUPE, Local 3902 Unit 1, and Collective Agreement

Final availability of the position is contingent upon enrolment, budgetary consideration and the determination of appointments as governed by the collective agreement.
