

The final project involves reading and reporting on a paper in the statistical literature, or a paper that uses statistical methods from the course. A list of potential papers will be provided. You will work in teams of two.

Presentation on April 1, 2025.

Report submission due April 15, 2025.

Part 1: Presentation [10 points]

On the last day of class (April 1), your team will present your final project; presentations will be 10 minutes long. Detailed guidance on the presentation will be provided.

Part 2: Write-up [40 points]

Your write-up should be: (1): no more than 10 pages, 12 point font, 1.5 vertical spacing; (2) Contain the four sections below, each partner to complete two sections; (3) Include a title page with the title and authors of the paper, the first and last names of the report authors and which section they wrote. (4) Include a list of references.

The title page and references, and any figures, do not count towards the 10 page limit.

Details on the sections to include and the questions to answer in each section will be provided.

Selected Papers

A list of papers to choose from will be available in advance of the February break, Feb 17–21.
